Fifth edition of Grupa Azoty's 'We care for the Polish land' lottery

Another edition of Grupa Azoty's customer lottery, in which the grand prize is a John Deere 5075E tractor, has just been launched. The aim is, among other things, to give farmers an opportunity to win one of the over three hundred prizes as a token of appreciation for choosing Grupa Azoty fertilizer products.

Year by year, the lottery attracts a growing number of participants, with over 30 thousand entries to its latest edition and a total of almost 950 prizes handed out to farmers over the past four years, including four grand prizes being agricultural tractors.

'We can see our lottery enjoy ever growing interest. Its straightforward rules induce farmers to register documents confirming the purchase of our fertilizer products. The past editions have shown that everyone has a chance to win, regardless of the volume of their fertilizer purchases. We encourage all those who buy fertilizers choosing those with the Grupa Azoty logo to try their luck in our lottery. Entries will be accepted until April 30th,' **says Tomasz Hryniewicz, Vice President of the Management Board of Grupa Azoty S.A. and President of the Management Board of Grupa Azoty Puławy.**

In last year's edition of the lottery, the grand prize, a John Deere 5058E tractor, went to Radosław from Orłowiny. The prize was presented to the winner by Tomasz Hinc, President of the Management Board of Grupa Azoty S.A., and Piotr Żyła, the ski jumping world champion supported by Grupa Azoty on his way to sporting success. The lucky winner had registered one purchase invoice for Polifoska 6 and Pulan fertilizers.
