Grupy Azoty Police at the European Coating Show Fair

We kindly invite you to visit the stand of Grupa Azoty Police at the European Coating Show Fair to be held in Nuremberg, Germany, April 21st–23rd 2015.

The European Coating Show is an important international event attended by manufacturers of paints, pigments and additives from all over the world. Among the participants of this industry meeting will be Grupa Azoty Zakłady Chemiczne Police, promoting its product Tytanpol (Stand 233, Hall 7). Visiting the stand of the Grupa Azoty Police, you will enter the world of paints. You will see how we add colours to the world and lighten up the reality.
