The Main Award for Grupa Azoty on the Agrotech Fair

During the International Fair of Agricultural Techniques Agrotech, which took place from 8th to 10th March 2013 in Kielce, Grupa Azoty presented its full product offer for the agriculture.

New image of the full variety of fertilizers as well as the offer presentation in the form of the fertilizer recommendations of 17 most popular crops in Poland met with great interest of those visiting the biggest national exhibition event for the agricultural sector. The farmers also had the opportunity to become familiar with the fertilization schedule presented for 6 particular crops on the trade-fair stand.

This year's offer of the agricultural production means was very popular with the visitors and Grupa Azoty exhibition was given the main award for the exhibitors – the medal of 19th International Fair of Agricultural Techniques Agrotech for “the original and modern style of the fair presentation”. The trade-fair stand of Grupa Azoty, kept in joyful colours of spring: green, yellow and orange, was very much appreciated by the visitors. Among the guests of the Fair were Stanisław Kalemba, Minister of Agriculture and Rural Development, Tadeusz Nalewajk, Under-Secretary of State in the Ministry of Agriculture and Rural Development, as well as the Marshal of Świętokrzyskie Voivodeship and Vice-Voivode of the Opolskie Voivodeship.
